## Profile Summary

With a strong background in HTML, CSS, JavaScript, SQL, MySQL, and React.js, along with internship experience in Java and WordPress, I am eager to bring my skills to a dynamic team. My academic excellence and proficiency in GitHub and laptop usage set me apart. I am seeking opportunities in Java Full Stack Development to leverage my expertise and contribute to impactful projects. Passionate about staying updated with industry trends, I am ready to tackle new challenges and add value to a forward-thinking organization.
